

We are an inclusive church....

We believe that Jesus Christ came to bring his message to the entire World and that he met people where they were. We believe that we are all created in the likeness of God. We all have a part to play in supporting and challenging one another as Christians to follow the teachings and example of our Saviour Jesus Christ.

We believe in a Church that does not discriminate or prejudice people on any level. We celebrate what we each can bring from our many and unique differences that include race, gender, sexuality, physical and mental abilities, economic power and our life experiences.

We believe in a Church that welcomes and serves all people in the name of Jesus Christ and celebrates the uniqueness of our individual faith journeys. We seek to share and learn together a faith that is rooted in scripture and to proclaim the Gospel with an unending newness for each and every generation. In the power of the Holy Spirit, we long for all people to recognise and discover the true breadth, length, depth and height of the love that Jesus Christ has for all.
